If you have mates, bring them.

Bogan, Bingo

DUST OFF THE MOCCASINS, PULL ON THE FLANNEL AND STOVEPIPE JEANS AND GET READY FOR A NIGHT OF WESTIES BOGAN HILARITY. THIS IS NOT A NIGHT OF THE SOCIAL COMMITTEE'S AMATEURISH ATTEMPTS AT FUN BUT A FULLY PROFESSIONAL PERFORMANCE FROM ACTOR TYPE BOGANS!

Just \$35.00 of your greasy, screwed up hard-ones is all that is needed for us to let you in the door and we will also provide the bogan's favourite pub snacks. Venue likely to be our own skanky club rooms, is there a better bogan venue in the east? So put Saturday 18th July into your diary now, or just scribble it on the back of ya hand!

Ladies Winery and Spa Day

Strictly for the wives and partners of Waverley Warriors and no player's dressed up as a chick will get through our tight security. Finally a chance for the ladies to have a day of fun and more importantly a good moan about us players.

Bus trip to the Mornington Peninsula Hot Springs for a deep soak and then off to visit a few wineries with lunch. \$100.00 includes bus travel, entry to hot springs, 2 winery tastings and lunch on Saturday 14th August. Great Mother's Day gift idea!

Waverley Warriors

How smart are we? Well let me tell you. Our grand plan is to have the quiz night right after the ladies day out. They arrive half cut and we all look smarter, brilliant!!

Your so smart we am not even going to tell you the date, you work it out. Time is 7pm at Venue TBA. Lock the date in now and start swatting up.

Ladies and Kids Day

Your partner just loves watching you play footy, right? Wrong. Reality check, if she comes it is either real love or a sense of duty. Probably the second. Or more likley she doesn't come (to the footy).

Solution? Yep, we are having a day where partners can "support you" by sitting behind glass drinking champagne whilst the kids are entertained and you run around in the mud. Don't be disappointed if she misses you slotting the goal from 50 metres out on the boundary. Be happy she is there, enjoying herself and you get to play footy.

The kids. Much easier. They may actually even be mildly interested in you playing for 5 minutes. So we are planning kid like fun. Strippers, beer, poker. Oops, sorry wrong event. We of course mean fun kids stuff like a petting zoo (no, its cuddly animals) or a jumping castle or something along those lines. To be honest we really havent worked this bit out yet. The kids are easy. We are really concentrating on the ladies at this point.

So now you are interested and want to know when and how much. Not sure on when yet as the league is changing the fixture and we need to find a suitable date. Don't worry though we will let you know.

Price. Again not sure but you can be assured it will be pretty steep. We are after all getting your missus pissed and looking after the entertainment of your kids whilst you play footy. Just

consider it a Sunday family creche service and you would be happy to pay a fair price for that, wouldn't you?
